

NOTICE

SIDEWALK REPLACEMENT – FLORENCE RD

PLEASE BE ADVISED

Under the Provincial Street Revitalization Grant, Council received almost \$27,000 for use towards replacement of sidewalks in Florence. Several different sidewalk replacement options were discussed such as replacing sidewalks with concrete on one side of Florence Road, but the cost would be over \$120,000 and would have resulted in a cost of almost \$2,000/per home under a Local Improvement Charge. Therefore, Council decided that replacing the existing concrete sidewalks with “Dawn-Blend” gravel material was the most feasible solution, *at this time*. The grant money will be used for the sidewalk replacement, so there will be no cost to residents of Florence; We thank you in advance for your patience.

COMMENTS WILL BE RECEIVED BY PAUL DALTON, PUBLIC WORKS SUPERINTENDENT UNTIL FRIDAY AUGUST 16TH.

519-692-5018 or roads@dawneuphemia.on.ca

WORK TO COMMENCE END OF AUGUST.
