The Township of Dawn-Euphemia Scholarship is an award valued at \$1,000 and may be awarded annually to one (1) male or one female student and resident from the municipality graduating from a local secondary school.

The recipient must meet the following criteria:

1. He/she must have graduated from Grade 12 and must provide proof of registration to a Canadian College or Canadian University. Minimum 2-year full-time studies.
2. He/she must be pursuing full-time studies in a government-related field such as political science, government services, civil engineering, business administration; finance; environmental; recreation leadership; agriculture, water operations/management, skilled trades or firefighting technology.
3. He/she must be able to demonstrate a history of community involvement.
4. Applications and accompanying documentation must be submitted by mail, electronically, or in person, by no later than April 30th of the current year.
5. The successful graduate must be a Canadian citizen and a current resident of Dawn-Euphemia with residency of no less than six (6) months duration and be pursuing full-time post-secondary studies at either a College or University level in the fall of the current year.

The recipient must claim the scholarship within the first year of post secondary studies. He/she must present the municipality with proof of registration at college or university *before* receiving the funds. The scholarship will be awarded in two (2) installments of equal value to ensure the student continues his/her studies in the second semester. Upon verification of the scholarship and winner's matriculation in college or university, the scholarship grant will be paid to the college for the student's account.

The scholarship recipient will be chosen by a team of reviewers made up of a member of Council and senior management in accordance with the established criteria. The review committee will discuss and consider all applications received by the deadline date. The successful candidate will be recommended to Council for approval. All decisions made by Council are considered final.

Municipal elected officials and their immediate families are not eligible to participate in this scholarship program. Immediate family shall include: spouse, children, residents of the municipal official's household, or any other person claimed as a dependent on the municipal official's tax return.

If there is no suitable candidate, the scholarship will not be awarded for that year.

If a scholarship winner fails to acknowledge and accept the award within thirty (30) days after receipt of the letter of notification, his/her award will be forfeited and the scholarship will be awarded to the next highest scoring applicant.
