C-Cans, Sea Cans, Storage Containers etc. are permitted in the Township of Dawn

Euphemia; however, if they are more than 162 sq ft, they are considered "buildings" and require a Building Permit at a cost of \$550.00. These containers must meet applicable setbacks of the Township's Zoning By-Law. Please contact the Township or Lambton County Building Department for more information and/or to obtain your permit at 519-845-5420 or complete your application online at [www.lambtononline.ca/building](http://www.lambtononline.ca/building).

### IMPORTANT NOTICE:

The "Recycling Depot" located at the Public Works Yard in Rutherford, is for **recyclables only**. Recyclables can be placed in *clear* plastic bags – but not black or dark green garbage bags. People have been throwing their garbage, wooden skids, and other non-recyclables in the bins. ***If this continues the Township will have no other option but to discontinue this service.***

The “2024 Ontario Senior of the Year Award” gives each municipality in Ontario the opportunity to honour one outstanding local resident who has enriched the social, cultural or civic life of his or her community. This year Council nominated Dean Childs of Dawn-Euphemia Township for the 2024 Ontario “Senior of the Year” Award, in recognition of his outstanding voluntary contributions in enriching this community!!! Congratulations Dean and thank you for all that you do!

On June 20, 2024, Timmins MPP Pirie presented Mayor Broad with an original deed that dates back to 1833 belonging to Fred Fansher who was the last Fansher to live and farm the old homestead in the former Township of Euphemia. The historical deed and seal are now hanging in the Municipal Office on display.
