2025 Household Hazardous Waste Collection Events
Monday, March 24, 2025

Wyoming, ON - The County of Lambton is once again partnering with Clean Harbors Canada Inc. to host Household Hazardous Waste collection events in 2025. Lambton County residents can bring their household hazardous waste to these events to be disposed of safely, for free.

Collection events will take place at the Clean Harbors Lambton Facility (4090 Telfer Road, St. Clair Township) and will run from 9:00 a.m. until 2:00 p.m. on the following Saturdays for the 2025 season:

- March 29
- April 26
- May 31
- June 21
- September 20
- October 25

There will also be two mobile events held this year in Sarnia and Lambton Shores:

- Saturday, June 7 – Lambton College Parking Lot 11 (1457 London Road, Sarnia)
- Saturday, October 4 – Public Works Forest Depot (6958 Townsend Line, Lambton Shores)

"Corrosive, toxic, reactive and flammable materials will be collected at these events," says Matt Deline, Public Works Manager, County of Lambton. "These items should never be placed in a regular landfill because they have the potential to injure workers and damage the environment."

These collection events are for household derived hazardous materials only. Commercially generated hazardous waste, including industrial and agricultural, will not be accepted.

For a list of acceptable items and additional information, visit lambtononline.ca/hhw or call 519-845-0801.
