Lambton Fall Colour & Craft Festival 2026

Thursday, October 8, 2026

Grand Bend, ON – The annual *Lambton Fall Colour & Craft Festival* will take place on Saturday, October 17 and Sunday, October 18, 2026 at Lambton Heritage Museum. The festival, which is the Museum's largest fundraiser, includes a juried artisan market, family-friendly crafts, and historical demonstrations.

Visitors can browse more than 70 vendors selling handmade products including art and home décor, bath products and candles, clothing and apparel, food and beverages, jewelry, needlework and textiles, pottery, signs, and woodworking. Visitors can also enjoy seasonal family-friendly activities including historical demonstrations and an autumn leaves-inspired craft led by the Judith & Norman Alix Art Gallery.

The weekend also marks the final two days of the feature exhibition [*Bluewaterland: Dive into the Depths*](#), which explores the nautical history of Lake Huron and the St. Clair River.

Proceeds from this year's festival will go towards the next phase of the Canatara Cabin Restoration Project. The first phase was completed earlier this year, and visitors will have the opportunity to explore the first floor of the cabin during the festival. In addition to the festival proceeds, there will be a silent auction of a framed print generously donated by local artist Jeffrey George of Red Dog Art Studio, who will be in attendance as a vendor.

"The Lambton Fall Colour & Craft Festival is our favourite annual fall tradition," said Jessica Stevenson, Marketing and Events Coordinator with Lambton County Museums and Archives. "Whether you want to get a head start on your holiday shopping, enjoy the beautiful fall colours, spend time together as a family, or catch *Bluewaterland* before it closes, the festival offers something for everyone."

Admission is \$5 cash per person and children aged 12 and under are free when accompanied by an adult. The festival is open from 10:00 a.m. to 4:00 p.m. both days.
